## COMMON AREAS

DOMO20 features many treats within its structure that enhance and complete the Hotel's offer.

The **Rooftop**, called "**Terrazza Vesù**" for its view of the Vesuvius and Gulf of Naples, is at the third floor of the building and offers guests two different relaxation areas.

The first one is a solarium equipped with sun beds, umbrellas and a jacuzzi where you will be able to unwind while admiring the breath-taking view from the terrace.

The Jacuzzi has 8 seats, it is open every day from 10:30 to 19:00 and is sanitized twice a day to guarantee guests the best sanitation standards in compliance with current legislation.

The price for the solarium area and Jacuzzi access is €20 per person.

Given the COVID emergency, the available seats have been reduced to ensure social distancing; for this reason, we advise guests to book in advance.

The second area of the DOMO20 **Rooftop** houses a lunch area and a **cocktail bar**.

The cocktail bar is open every day from 10:30 to 00:00 and is managed by a top barman that satisfies all guests' requests and amazes them with his cutting-edge proposals.

The lunch area is open from 12:30 to 15:00 and offers the gastronomic delicacies of the **MIMA** restaurant, to be enjoyed strictly with a sea view and, from 19, the menu will feature the specialties of the **Burgheria del Mare** as well, a whole innovative gastronomic concept to discover.

The Burgheria del Mare and the **MIMA** kitchen are managed by a top chef and all the dishes served on the terrace are freshly chosen and cooked on the spot.

On the first floor of the hotel, you can access the garden area, a bar and the restaurant, in these areas breakfast is also served.

The **MIMA** is the restaurant of the DOMO20 hotel. Managed by an emerging young chef trained alongside a starred chef, **MIMA** boasts a traditional menu revisited to enhance the flavours of Mediterranean cuisine.

The attention to ingredients and products, strictly local and fresh and for seasonality, represent one of the values of **MIMA** which, together with a refined menu, make it one of the most prominent emerging restaurants in the area.

## SHUTTLE

DOMO20 has a shuttle to make our guests' transfers easier.

The shuttle is free for all guests arriving with public transport, the meeting point is the Vico Equense station and the pick-up must be agreed in advance.

In two time slots, from 09:00 to 13:00 and from 15:00 to 18:00, the shuttle will be available to reach the centre or the train and buses station.

## PARKING

The hotel has a private parking for our guests' cars.

By booking the room directly through our channels (website, telephone, email) and not through tour operators (Booking, Airbnb, Expedia etc.), the parking is free. Otherwise, the parking fee is €10 per day.

## BREAKFAST & CONCIERGE

Our reception is open 24 hours a day and is available for all the assistance you need.

Breakfast is one of the show pieces of DOMO20. Entirely homemade, devised by the morning chef of the MIMA restaurant, it is available in different variants to satisfy the tastes and needs of all guests. By communicating it in advance, you can request a vegan, gluten-free or lactose-free breakfast.

Breakfast is usually served at the table and, in compliance with social distancing regulations aimed at preventing the spread of the COVID-19 infection, it will be served at two different times that can be chosen by the guests. For the same reasons, there is no buffet.
